About Pinnacle Marquees (UK) Ltd.

Based in Yorkshire, Pinnacle Marquees is a leading nationwide supplier of an extensive range of the latest German-manufactured clearspan marquees, from 3m to 25m wide.

As well as marquees we can also provide pagodas, flooring systems, interiors, cassette glazed windows & walls, generators, furniture and all other event ancillary equipment.

Pinnacle Marquees is owned and managed by an experienced and ambitious team, who will

work tirelessly to ensure that your event is well planned, professionally delivered and at a reasonable price. Our aim is to work for satisfied customers, year after year.

Whatever your event, the Pinnacle team is more than happy to conduct a 'no obligation' site consultation visit and quotation.
