About Bond Fabrications

Bond Fabrications provides a complete service to marquee contractors throughout the UK.

We supply complete tents, new covers, replacement sections and a wide variety of linings for all types of marquee including Tubular Frame Tents, Pole Tents and Sectional 'Clearspan' Tents. We can make standard sections and covers designed to fit every major make of frame, and will produce an exact match to your existing stock to ensure total compatibility.

For more complex projects we undertake design work to produce a bespoke tent or cover for a specific site or to meet any unusual requirements. We also carry out repair and refurbishment work.
