About CTM

CTM delivers Event Traffic and Transport Management solutions and Admission Control services to the events industry across the UK. Servicing both private and public sectors, it has an enviable reputation for both service excellence and value for money.

Its growing portfolio of Outdoor Events, Festivals, Cultural Events, Music Events, Sports Events, County Shows, Exhibitions and Trade Shows includes green field sites, static venues and road-based events (races, parades, marathons, ...). Specialist events, large or small, are also catered for including Corporate Hospitality, Conferences and Meetings.

For a full list of services, clients and sample projects and to learn more about us please visit our website www.ctm.uk.com .
