NEWS

-

Event organisers have called for a national ban on Sky Lanterns branding them dangerous to the public, livestock and buildings.

-

Whatever the outcome of the HSE's current deliberations on the implementation of the Construction and Design Management proposals, it won't be for lack of input from the events and entertainments industry.

ENVIRONMENTAL

- Teresa Moore, Head of Music and Event Management at Buckinghamshire New

University, investigates the problems confronting event organisers looking to improve event sustainability.

## **SECURITY**

- Showsec put together a massive security operation for the third stage of the Tour de France on Monday 7th July - the single biggest day in the company's history.

**Event Organiser Magazine** is the official journal of TESA (The Event Services Association), the UK body representing event organisers and suppliers to the industry. The magazine is published five times a year and distributed to key names in the trade.
